The application has been amended as follows: On page 4, line 7, "form" is replaced with --from--. On page 9, line 3, "key" is replaced with --lock--, to be consistent with the remainder of the claim. On page 9, line 17, --a-- is inserted after "mounted".

The following is an examiner's statement of reasons for allowance: The Solow et al (561) and David (144) references do not teach the claimed two opposite lateral sides of the lock body each being provided with an indentation to receive a pivot stand and a locating notch to receive a hooked rod.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
